## PREVIOUS WORK EXPERIENCES

### JOB POSITION - Video Operations Specialist

**Huawei Technologies Yangon Co., Ltd.**

2019

📍 Location - 18<sup>th</sup> Floor, Myanmar Plaza, Yangon.

During my previous position in Huawei Technologies Co. Ltd, I also manage the over the top applications like Netflix, Maher and Cookie. The name of application is WOWPLAY. I was responsible for making a Digital Productive Workflow between two telecommunication companies, many suppliers and consumers. Our team also made Daily, Monthly production reports (DPR, MPR) and managed many Files Transfer Protocol (FTP), Analytical Production Systems to process our daily activities in applications. Consumers can watch a lot of international movies in it. My team was responsible for solving customers' complaints and refund processes with well-known public telecommunication company in our country.

### JOB POSITION - Music Operations Executive

2020

**360 Beatz Music Agency**

📍 Location – 133, Thiri Mingalar Street, 8th Mile, Mayangone Township, Yangon.

In my last position in 360 Beatz,

I mainly handled the Data Collecting, Contracts dealing, Music uploading and Payment processing between well-known artists in the music industry for the local famous application like JOOX [Tencent]. I was responsible for the Meta Data Processing, Lyrical Encoding and Uploading music onto our FTP server which then is processed directly in to the JOOX system. I also operated as a Talent Manager to reach out to old or upcoming new talented artists in the industry. My responsibility also included connecting to new brands, celebrities, record labels and servicing all processes for the artists that I handle.

- Operations management 
- Problem solving skills 

# HOBBIES

- Signing and Composing songs
- Reading and writing
- Creative art
- Music Videos and Lyric Videos
- Data Administrator

## JOB POSITION – Sales & Marketing Executive

at GMO-Z.com ACE Co., Ltd.

2022 - 2025

📍 Location - 7<sup>th</sup> Floor, Building 18, MICT Park, Hlaing Tsp, Yangon.

In GMO Z.com, I represent the position of Sales & Marketing Executive at "Z.com Myanmar: Internet Infrastructure Services Provider," a subsidiary of the GMO Internet Group Japan and Thailand teams with a global presence. My role entails overseeing B2B sales operations, including the sale of domains, email services, website development services and cloud server services. I'm responsible for Sales documentation (Before & After payment) and client complaints by methodically investigating issues and finding effective solutions. Additionally, I am actively involved in content marketing and social media operations for Facebook and YouTube. I was chosen by Z.com Myanmar for an intensive training program at their Z.com Thailand office. This opportunity gave me valuable experience in working with international teams and understanding the Thai corporate culture early on. I resigned from this job to pursue my second career in the legal field and to establish myself in Thailand. I am now enrolled in a Post Graduate Diploma in Law program and have successfully passed the final exam with three distinction.

# FREELANCE EXPERIENCES

## JOB POSITION – Marketing Consultant

at Young Creator

2017 - 2019

As a seasoned marketing consultant at Young Creator, I've honed my skills in crafting innovative and impactful marketing strategies for music videos and commercial video productions. My role involves dynamic collaboration with creative teams, strategic partnership building, and the development of overall shooting operations. My passion for the arts, coupled with adaptability and quick decision-making, has been instrumental in contributing to the success of projects. As a results-driven professional, I thrive in this fast-paced environment, where every challenge is met with enthusiasm and a can-do spirit.

## JOB POSITION – Executive Producer

at The NEXT

2020 - 2024

As an executive at The NEXT, I lead projects for music videos, commercials and events. I make sure the creative teams work well together and that our ideas match our goals. I oversee the whole production process. I help the business grow by finding new opportunities and making deals. My job is all about making sure our videos connect with people and keeping up with what's new in video production and marketing. Working at The NEXT, I bring a mix of leadership, smart choices, and a love for pushing creative limits.
